Hi Tala,

Sorry I missed your call. I tried to give you a call back but there was a message that said your voice mailbox wasn't set-up.

I had left Yvette a message following up on the email below offering any input from Chemours on the TSCA section 21 petition from the groups in NC.

If there is any interest in discussing, please let me know and I can arrange a discussion.

Thanks and have a great day,

Kathy
